Participate in Silicon Valley Healthcare IT events

SVForum fosters innovation, entrepreneurship, and leadership within the Silicon Valley ecosystem of individuals and businesses participating in emerging technologies.

As the leading Silicon Valley not-for-profit organization providing an unbiased source of information and insight to the technology community, we engage the community by...

- creating connections and community
- providing education and access to resources
- linking the global business community to Silicon Valley
- facilitating the exchange of unbiased knowledge, insights and best practices

SVForum reaches 12,000 technology professionals annually through more than 15 events each month.

SVForum continues to expand its focus on healthcare. Recent healthcare events include “**Mobile Health**” at the Mobile Internet SIG on August 4th, 2011 “**Connected Health Safety – Regulatory and Industry Challenges**” on Jan. 23rd, and the all-day “**Healthcare Technology Innovation Boom**” symposium last May. Also check out the quarterly **Health Tech Breakfast** sponsored by Genentech on Feb. 15th, entitled “**Investor Landscape: Outlook for 2012.**”

See www.svforum.org/healthcareIT-sig for details about the next evening event regarding medical device User Interface Design on March 13th.

Planning is also underway for another all-day healthcare event in May 2012.

*The **Healthcare IT Special Interest Group (SIG)** is a forum for technologists and healthcare providers to discuss important topics and network with one another. Examples of areas we plan to address include: Software, Devices, Mobile Health, Electronic Health Records, Instruments, Networking & Interoperability, Telemedicine, Imaging, Clinical Decision Support, Standards & Regulations, Privacy & Security, and Economics. The next meeting is March 13th. See www.svforum.org/healthcareIT-sig.*

To get on the **mailing list**, go to www.svforum.org/subscribe-sig and create a user account. Mark the topics about which you'd like to receive notifications, including “Health” under interests and “Healthcare” under email subscriptions. The mailing list is free, but paid membership includes free attendance at SIG events and other benefits. Also, join the MeetUp group at: www.meetup.com/SVForum-HealthcareITSIG.

If you would like to suggest topics or speakers or volunteer to help reach out to potential speakers and sponsors, or you have a topic you'd like to present, please send an email to HealthcareITsig@svforum.org.

Opportunities to present exist on May 8th, July 10th, Sept. 11th, and beyond.
